The scope of the contract is broadly as under:

1. To prepare a detailed category & sector-wise profile of the MSMEs in the Faridabad and Tirunelveli clusters, and to preparea list of units for undertaking walk through energy audits.
2. To undertake walk through energy audits in the identifiedMSME units (minimum 400 in number), and to develop criteria for the selection of MSME units across sector and scale (i.e. Micro, Small, andMedium) for conducting detailed energy audits.
3. To carry out detailed energy audits at the MSMEs as identified by SIDBI onthe basis of the walk through audit reports, and to prepare a minimumof 250 unit specific Investment Grade Detailed ProjectReports (IGDPRs).
4. To provide assistance to the identified MSME units for implementation of the recommended EE measures including but not limited to facilitating sanction of loans from local Banks / FIs, extending support in bid evaluation for the selection of vendors / suppliers, supervision of erection and commissioning activities, preparation of Standard Operating Practices, etc. The objective of providing such support would be to ensure implementation of the recommendations contained in the IGDPRs by a minimum of 200 MSME units.
5. To develop a suitable mechanism for collection of Monitoring & Verification (M & V) data including the E & S impacton the MSMEs implementing the EE projects.
